

# » Dear foreign students,

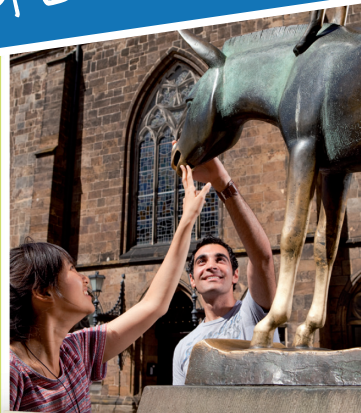

you have decided to pursue your academic career by studying at a university or college in the federal state of Bremen. We are very happy to have you and we hope that you already started to feel comfortable and at home during your study period.

We would very much appreciate to have you staying here after graduation and live and work with us.

To assist you in finding a suitable employer we have gathered some information on legal conditions and perspectives concerning the job market:
