Explanation

CM = compulsory module

CEM = compulsory elective module (two out of three)

E(M) = elective (module) (24 credits overall)

CP = credit points/credits

SWS = weekly teaching hours (where a teaching hour lasts 45 minutes)

4 SWS = one seminar with four weekly teaching hours

2x2 SWS = two seminars with two weekly teaching hours each

* Students choose two out of three modules each consisting of two seminars.

** Seminar will be organized in two blocks (presumably in September and March) to secure compatibility with the research internship and the study abroad modules

*** Students do a research internship or study a semester abroad or take additional classes in Bremen (General Studies)
